Music for Our Wedding!

A deposit of \$ _____ was paid on ____/____/____

I owe \$ _____ on the wedding day, before the ceremony.

_____ is in charge of paying the musicians the remaining
balance before the ceremony.

Nonrefundable Deposit Policy: A non-refundable deposit (personal check, certified check, or money order) of 50% the total fee (to reserve your date and time), is due at least one month in advance, or at the time of booking. The remaining balance is due prior to the event.

Tipping: It is courtesy to tip your musicians when you are happy with their services, and it is greatly appreciated. A tip can depend on the hours spent playing, or the number of musicians, but generally range about \$10 - \$20 a musician per hour.

Arrangements/Transpositions: We are happy to play a special/uncommon song or songs of your choice. The request(s) must be made at least 6 weeks in advance of the event and there is a fee of \$75.00 per song to be arranged. It takes an average of 10-20 hours of extra work to do an arrangement.

Breaks: For jobs that are 2 hours or longer, the musicians will take a 15-minute break for each hour, beginning in the 2nd hour of music. We do ask that for jobs that exceed 2 hours, that you provide water for your musicians as a courtesy.

Travel Expenses: For services rendered outside of the Phoenix area, there is a charge of \$0.75 per mile traveled outside the Phoenix metro area. You will be notified before the reception of the deposit fee if your ceremony site requires an additional mileage charge.

Delay Policy: In our experience, ceremonies often start delayed. To account for this, we allow for a 15-minute starting delay at no extra charge. If your ceremony begins later than 15 minutes past its scheduled start time, you will be billed an additional \$50 per 15 minutes of delay past the scheduled starting time of the ceremony. A bill of the amount owed will be given to you by the musicians and is due no later than 5 business days after the ceremony. Also, because of possible other commitments on the day of your ceremony, musicians may have to leave without playing your postlude if that time has been taken up with the delayed starting time of your ceremony. There are no refunds for less music performed because of ceremony delays.
